10 Super-Duper Ways to Get the Attention of Children

About ATI

★ **Dr. Maryln Appelbaum and Marty Appelbaum**, a mother / son team, are proud to present this seminar written just for you. The ATI mission is to bring you information that you can immediately use to make your job easier and benefit the children. The speaker for this outstanding seminar is Kathleen Proctor, who was hand-picked and trained especially for you.

Great Presenter

★ **KATHLEEN PROCTOR, M.Ed.**, is an expert on children and how to handle them. She shares her 26-years of teaching experience with audiences across the country, delighting and inspiring them to implement new and exciting strategies. Kathleen has a degree in Early Childhood Education, as well as a Special Education certificate, in addition to a Masters in Educational Leadership. She is certified as a teacher and has taught in child care settings, as well as kindergarten in public schools. She is also the mother of five children. Kathleen has a fun, unique and uplifting style of presenting that will capture and hold your attention from the minute she starts the seminar. She shares information, strategies, and solutions, along with personal stories of children she has taught. She will touch your life and inspire you to return to work more excited. You will leave energized, enthusiastic, and armed with a wealth of knowledge and tools.
