AMENDED PLATTE COUNTY HEALTH DEPARTMENT ORDER FOR ONGOING RESPONSE, REOPENING, AND RECOVERY IN PLATTE COUNTY, MISSOURI (PHASE 2, STEP 4)

WHEREAS, on March 16, 2020, President Donald J. Trump, in coordination with The Centers for Disease Control and Prevention (CDC), officially recommended cessation of school operations that are near areas of community transmission, even if those areas are in neighboring states; and

WHEREAS, On March 19, 2020, a proclamation of a state of emergency (the “Proclamation”) was declared by Platte County Presiding Commissioner Ron Schieber to allow the Platte County, Missouri, to take measures to reduce the possibility of exposure to COVID-19 and promote the health and safety of Platte County residents, along with an accompanying order; and

WHEREAS, since March 19, 2020, residents of Platte County, Missouri have tested positive for COVID-19 and there remains a lack of evidence of both a proven, effective treatment for COVID-19 and/or a vaccine proven to protect Platte County residents from this highly dangerous virus; and

WHEREAS, on March 21, 2020, Missouri Governor Mike Parson, and the Missouri Department of Health and Senior Services issued an order under Missouri Statute imposing a restriction upon the number of individuals assembling in the State to further reduce the spread of COVID-19; and

WHEREAS, on March 22, 2020, this Platte County Health Department, as part of its ongoing effort to reduce the transmission of Covid-19 in Platte County, issued a limitation on private and public gatherings of 10 or more persons and other extended restrictions on food sales and religious and non-religious activities; and

WHEREAS, on April 3, 2020, Missouri Governor Mike Parson issued a “Stay Home Missouri” order effective April 6, 2020 until April 24, 2020 imposing an order restrict social gatherings and imposing physical distancing and other restrictions upon essential and non-essential business, measures intended to further curb the spread of COVID-19; and

WHEREAS, on April 9, 2020, Missouri Governor Mike Parson ordered schools to remain closed for the remainder of the academic year following a suspension of in-person school operations; and

WHEREAS, on the Platte County Health Department Director and Assistant Director continue to meet with representatives of the public and private educational institutions, religious organizations, youth sports organizations and other representatives and
leaders of the private, public and government sectors to solicit and receive information on the current readiness of the healthcare system, and the state of community’s mental, physical, and economic health; and

WHEREAS, on April 20, 2020 and again on April 27, 2020, the Platte County Commission has reported that it anticipates receipt of disaster relief funds from the State of Missouri Treasurer to assist businesses with reopening, as managed by the Commission; and

WHEREAS, on April 27, 2020, the Director of the Missouri Department of Health and Senior Services, at the Direction of Governor Mike Parson, issued an order under Mo.Rev.Stat. 192.020 and 19 CSR 20-20.040 directing the increased movement of Missouri citizens within the State under specific physical distancing guidelines and authorized the limited re-opening of retail sales to the public, subject to the number individuals within that location and further directs restaurant and school operations;

WHEREAS, the COVID-19 virus spread continues to directly impact and threaten the citizens of Platte County, the State of Missouri and the United States and no known treatment or vaccine has been established; and

WHEREAS, it remains that COVID-19 spreads between people who are in close contact with one another through respiratory droplets produced when an infected person coughs or sneezes; and

WHEREAS, a gathering of individuals without necessary mitigation for the spread of infection continues to pose a risk of the spread of infectious disease; and

WHEREAS, the Health Department wishes to employ all means available under the law to protect public life, health, safety and property to limit the development, contraction and spread of COVID-19 creating this emergency while gradually measuring the spread of COVID-19 under gradually increased movement and activity resumption; and

WHEREAS, on June 16, 2020, the Platte County Health Department Board of Trustees discussed and evaluated an analysis from its Director, staff and department epidemiologic experts, as well as the status of Phase 2, Part 3 of Platte County Health Department COVID-19 Response, Recovery and Reopening Plan and the triggering steps needed to move into Phase 2, Part 4 of that plan; and

WHEREAS, on June 16, 2020, the Platte County Health Department Board of Trustees accepted that as of June 15, 2020, the positivity rate of tested individuals in the community met or exceeded standards for containment of the virus established by the World Health Organization (WHO); local hospitals reported that they were able to treat all COVID-19 patients without reverts to crisis standards of care; Platte County had the capacity to test people who were showing symptoms of COVID-19 and the Platte County Health Department was able to maintain active COVID-19 case and contact isolation and monitoring with its full-time epidemiology specialist and nursing staff; and
WHEREAS, at its June 16, 2020 meeting, the Board of Trustees for the Platte County Health Department decided that the status of specific triggering conditions in Platte County health conditions, testing and treatment readiness were present to remain in Phase 2, Step 3 of a COVID-19 recovery and move into Phase 2, Step 4 of the COVID-19 recovery on July 1, 2020; and therefore, the Board of Trustees ordered Director of the Platte County Health Department Mary Jo Vernon to issue a new Order that reflected a Phase 2, Part 4 status effective on July 1, 2020; and

WHEREAS, as of June 30, 2020, I, Mary Jo Vernon, Director of the Platte County Health Department do find the aforementioned conditions and status of specific triggering conditions in Platte County health conditions, testing and treatment readiness identified above remain present, the positivity rate of tested individuals in the community continues to meet or exceed standards for containment of the virus established by the World Health Organization (WHO); local hospitals report that they are able to treat all COVID-19 patients without reverting to crisis standards of care; Platte County has the capacity to test people who were showing symptoms of COVID-19 and the Platte County Health Department is able to maintain active COVID-19 case and contact isolation and monitoring with its full-time epidemiology specialist and nursing staff; and

WHEREAS, I, Mary Jo Vernon, Director of the Platte County Health Department do find the aforementioned conditions continue to constitute a threat to the health, safety, and welfare of the residents of Platte County and continues to create a public health emergency situation within the meaning of Mo.Rev.Stat. 192.020; 19 CSR 20-20.010 through 19 CSR 20-20.090; and Platte County, Missouri Ord. Chapters 230 and 240.

NOW, THEREFORE, under the power vested in me under appropriate local, state and federal laws, regulations, ordinances and other enabling provisions, I, Mary Jo Vernon, Director of Public Health for the Platte County Health Department and Health Officer for the County of Platte, under the authority delegated by the State of Missouri Statutes, Code of State Regulations and Platte County, Missouri, Ordinances Chapter 230.010 – 240.090 hereby order limited isolation and other restraint on activity, comprised of the following:

1. For purposes of this Order, Physical Distancing Recommendations include:
   (a) maintaining at least six-feet of physical distancing from other individuals;
   (b) washing hands with soap and water for at least twenty seconds as frequently as possible and supplementing with hand sanitizer;
   (c) covering coughs or sneezes (into the sleeve or elbow, not hands);
   (d) not shaking hands;
   (e) appropriate use of face coverings consistent with guidance from the Centers for Disease Control and Prevention (CDC); and
   (f) regular cleaning and sanitizing of high-touch surfaces.
All Platte County visitors and residents should follow these Physical Distancing Recommendations during the term of this Order.

2. For purposes of this Order, Mask Use Recommendations include:
   (a) Wearing a fabric or other material mask in all outdoor locations, settings, events where individuals are more than and less than six feet away from each other;
   (b) Wearing a fabric or other material mask in all indoor locations, settings, events where individuals are more than and less than six feet away from each other;
   (c) In compliance with CDC guidance, individuals who should not wear face masks include children under age of two (2) or anyone who has trouble breathing or can’t remove the mask without assistance; and
   (d) N-95 respirators should be reserved for healthcare workers and first responders.

3. All current retail businesses, excluding food establishments which are addressed separately in Paragraph 5. of this Order, may be open so long as:
   (a) Capacity is 100% of the entity’s authorized fire or building code occupancy limit as set by local authorities;
   (b) Physical Distancing Recommendations and described in Paragraph 1. of this Order are strongly encouraged;
   (c) Mask Use Recommendations are strongly encouraged;
   (d) When reasonably achievable, all businesses are encouraged to collect names and contact information of persons, including clients, entering a facility. The purpose of this request is to facilitate successful contact tracing of infectious persons.

4. All current non-retail businesses, including social and religious organizations and gyms and fitness centers, may be open so long as:
   (a) Capacity is 100% of the entity’s authorized fire or building code occupancy limit as set by local authorities;
   (b) Physical Distancing Recommendations described in Paragraph 1. of this Order are strongly encouraged;
   (c) Mask Use Recommendations are strongly encouraged; and
   (d) When reasonably achievable, all businesses are encouraged to collect names and contact information of persons, including clients, entering a facility. The purpose of this request is to facilitate successful contact tracing of infectious persons.

5. All food establishments licensed by the Platte County Health Department may continue to offer delivery, drive-through, curbside pickup, take-out, and dine-in services and are strongly encouraged to:
   (a) follow Physical Distancing Recommendations described in Paragraph 1. of this Order;
(b) provide customers with sanitizer or sanitizer wipes in customer self-service areas;
(c) continue to post their written safety plan at or near the front door or front entrance of their location for the purpose of providing notice to the public and their customers of said safety plan;
(d) require staff to follow Mask Use Recommendations; and
(e) ask customers to follow Mask Use Recommendations when not actively eating or drinking.

6. Childcare facilities shall follow all pertinent rules and regulations from the Missouri Department of Health and Senior Services’ Section for Child Care Regulation, Division of Regulation and Licensure.

7. All current retail and non-retail businesses, including social and religious organizations are strongly encouraged to create a safety plan that includes the Physical Distancing and Mask Use Recommendations described in Paragraphs 1. and 2. of this Order. These organizations are encouraged to post their written safety plan at or near the main entrance of their location to provide notice of said safety plan to the public and to their customers and clients.

8. Businesses, organizations and food establishments may refuse service to customers without masks or customers who refuse to follow any posted safety plan with Physical Distancing or Mask Use Recommendations established by the business or Food Establishment.

9. Public and private primary, secondary, and post-secondary schools shall follow all guidelines from the Missouri Department of Health and Senior Services and Missouri Department of Elementary and Secondary Education and are encouraged to follow all Physical Distancing and Mask Use Recommendations described in Paragraphs 1. and 2. of this Order and may conduct in-person activities in compliance with Paragraph 10.

10. Mass gatherings in indoor environments, whether spontaneous or scheduled may take place at one hundred (100%) of the facility’s authorized fire or building code occupancy limit as set by local authorities. There are no restrictions in outdoor environments, events or mass gatherings; however, attendees are strongly encouraged to follow Physical Distancing and Mask Use Recommendations described in Paragraphs 1. and 2. of this Order.

When reasonably achievable, event organizers are encouraged to collect names and contact information of persons, including clients, entering a facility. The purpose of this request is to facilitate successful contact tracing of infectious persons.

11. Team Sports, youth and adult, may practice and compete. Participants are strongly encouraged to observe Physical Distancing and Mask Use Recommendations when
feasible and to not share any beverage containers.

12. Outdoor Playgrounds and Sports Courts may be open. Physical Distancing and Mask Use Recommendations described in paragraphs 1. and 2. of this Order are strongly encouraged.

13. Swimming Pools may be open. Physical Distancing Recommendations are strongly encouraged. Mask Use Recommendations are encouraged when not in the water and where feasible.

14. For purposes of this Order, all first responders, emergency management personnel, emergency dispatchers, court personnel, and law enforcement personnel, and others working for or to support Essential Businesses are categorically exempt from this Order. Further, nothing in this Order shall prohibit any individual from performing or accessing “Essential Governmental Functions.” Essential Government Functions means all services needed to ensure the continuing operation of the government agencies and provide for the health, safety and welfare of the public. All Essential Governmental Functions shall be performed in compliance with Physical Distancing Recommendations as defined this Section, to the extent possible.

15. For the purposes of this Order, covered businesses include any for-profit, non-profit, or educational entities, regardless of the nature of the service, the function they perform, or its corporate or entity structure.

16. For the purposes of this Order, “Essential Businesses” means:
   (a) Healthcare Operations and Essential Infrastructure;
   (b) Grocery stores, certified farmers' markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, and any other household consumer products (such as cleaning and personal care products). This includes stores that sell groceries and also sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operation of residences;
   (c) Liquor stores due to the fact that withdrawal from alcohol is dangerous and potentially fatal:
   (d) Food cultivation, including farming, livestock, and fishing;
   (e) Food processing facilities for humans and animals;
   (f) Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
   (g) Newspapers, television, radio, and other media services;
   (h) Gas stations and auto-supply, auto-repair, and related facilities;
   (i) Banks and related financial institutions;
   (j) Hardware stores;
(k) Plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of residences, Essential Activities, and Essential Businesses;
(l) Businesses providing mailing and shipping services, including post office boxes;
(m) Educational institutions to include public and private K-12 schools, colleges, and universities;
(n) Religious organizations to include any specially designed structure or consecrated space where individuals or a group of people such as a congregation come to perform acts of devotion, veneration, or religious study;
(o) Laundromats, dry cleaners, and laundry service providers;
(p) Food establishments licensed by the Platte County Health Department and other facilities that prepare and serve food,
(q) Businesses that supply products needed for people to work from home;
(r) Businesses that supply other essential businesses with the support or supplies necessary to operate;
(s) Businesses that ship or deliver groceries, food, goods or services directly to residences;
(t) Airlines, taxis, and other private transportation providers providing transportation services necessary for Essential Activities and other purposes expressly authorized in this Order;
(u) Home-based care for seniors, adults, or children;
(v) Residential facilities and shelters for seniors, adults, and children;
(w) Professional services, such as legal or accounting services, when necessary to assist in compliance with legally mandated activities;
(x) Childcare facilities providing services that enable employees exempted in this Order to work as permitted.

17. Violation of any provision of this Order constitutes an imminent threat and creates an immediate menace to public health.

18. This order shall take effect at 12:01 AM on Wednesday, July 1, 2020 and shall remain in effect until extended, rescinded, superseded, or amended in writing.

It is so ordered this 30th day of June, 2020, at 7:29 PM.

Mary Jo Vernon

Mary Jo Vernon, Director
Platte County Health Department
Platte City, Missouri
